CALIFORNIA LICENSING EDUCATION

Court & traffic-school costs

Use confirmed balances still due. Keep court and school charges separate.

Court charges

1. Remaining court balance $ _____

Use the balance after payments or reductions already credited.

2. Separate court traffic-school fee still due $ _____

Count only unpaid fees not already in line 1. Enter $0 if none are still due.

If you are unsure whether the fee is included, leave line 2 blank and ask the court.

School charges

3. Required school fees still due $ _____

Use the balance after credited payments. Include all required charges.

4. Optional extras still due $ _____

Count only extras you chose that remain unpaid. Enter $0 if none.

Total still due: add lines 1-4 once $ _____

Leave the total blank until every amount is confirmed. Unknown does not mean $0.

Who to pay, and when

Court / payee _____ Due date _____

School / payee _____ Payment due _____

Course completion deadline (confirm with your court) _____

Before you pay

Confirm court permission, amounts, payment dates and the course completion deadline.
Follow each provider's payment instructions. This worksheet does not send a payment.

Online calculator and the same worksheet in HTML:
